An English photo story by class 5e

How
would it
be here?

Hello, this is
LGNU!

Lessing-Gymnasium
Neu-Ulm

The pupils can play here.

Our playground is great.

Yes, it's fun.

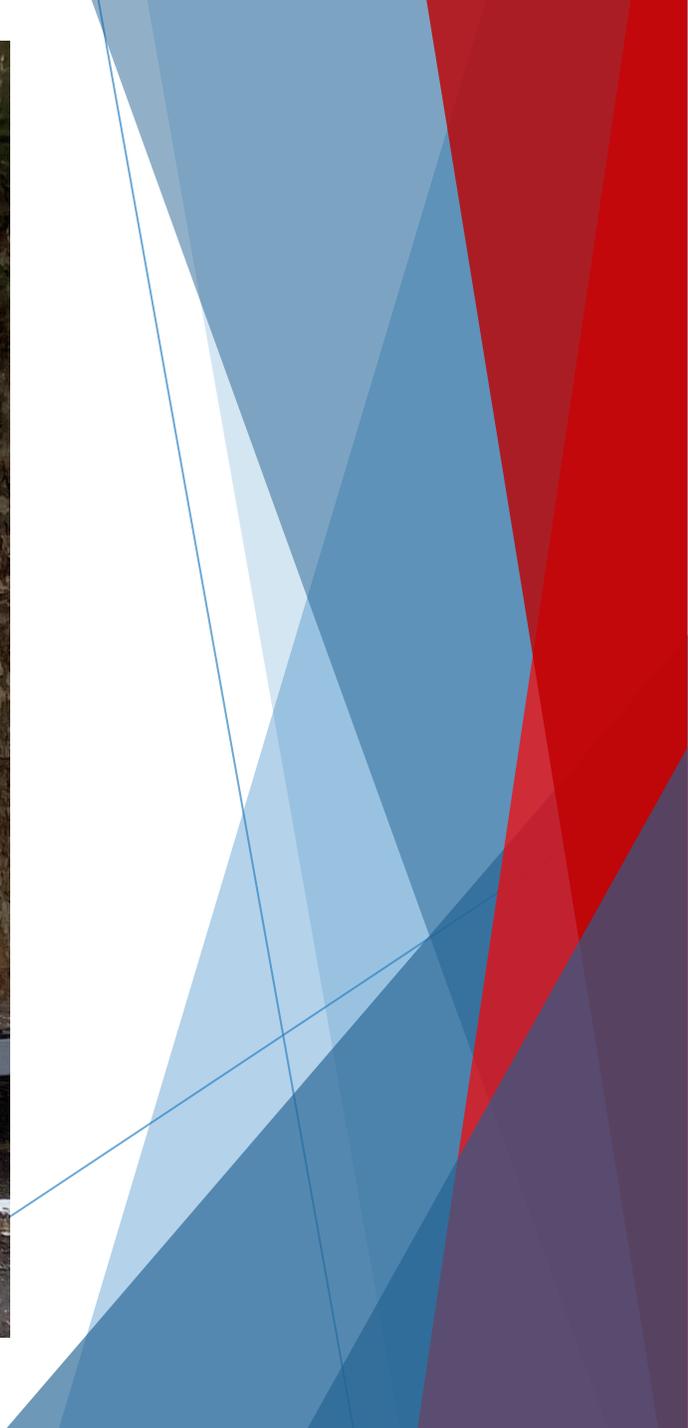

That's our gym.

The girls have PE here.

What's that?

Let's go into
to the school!

This is the cellar
for the bikes.

That is the food for the lunch.

Oh, yummy !

In the cafeteria we can eat something.

And we can relax in the cafeteria.

This is the
drink dispenser.

What's
that?

This is my friend. She is working in the corridor.

I am Henrike, the new girl.

Hi

What's the solution?

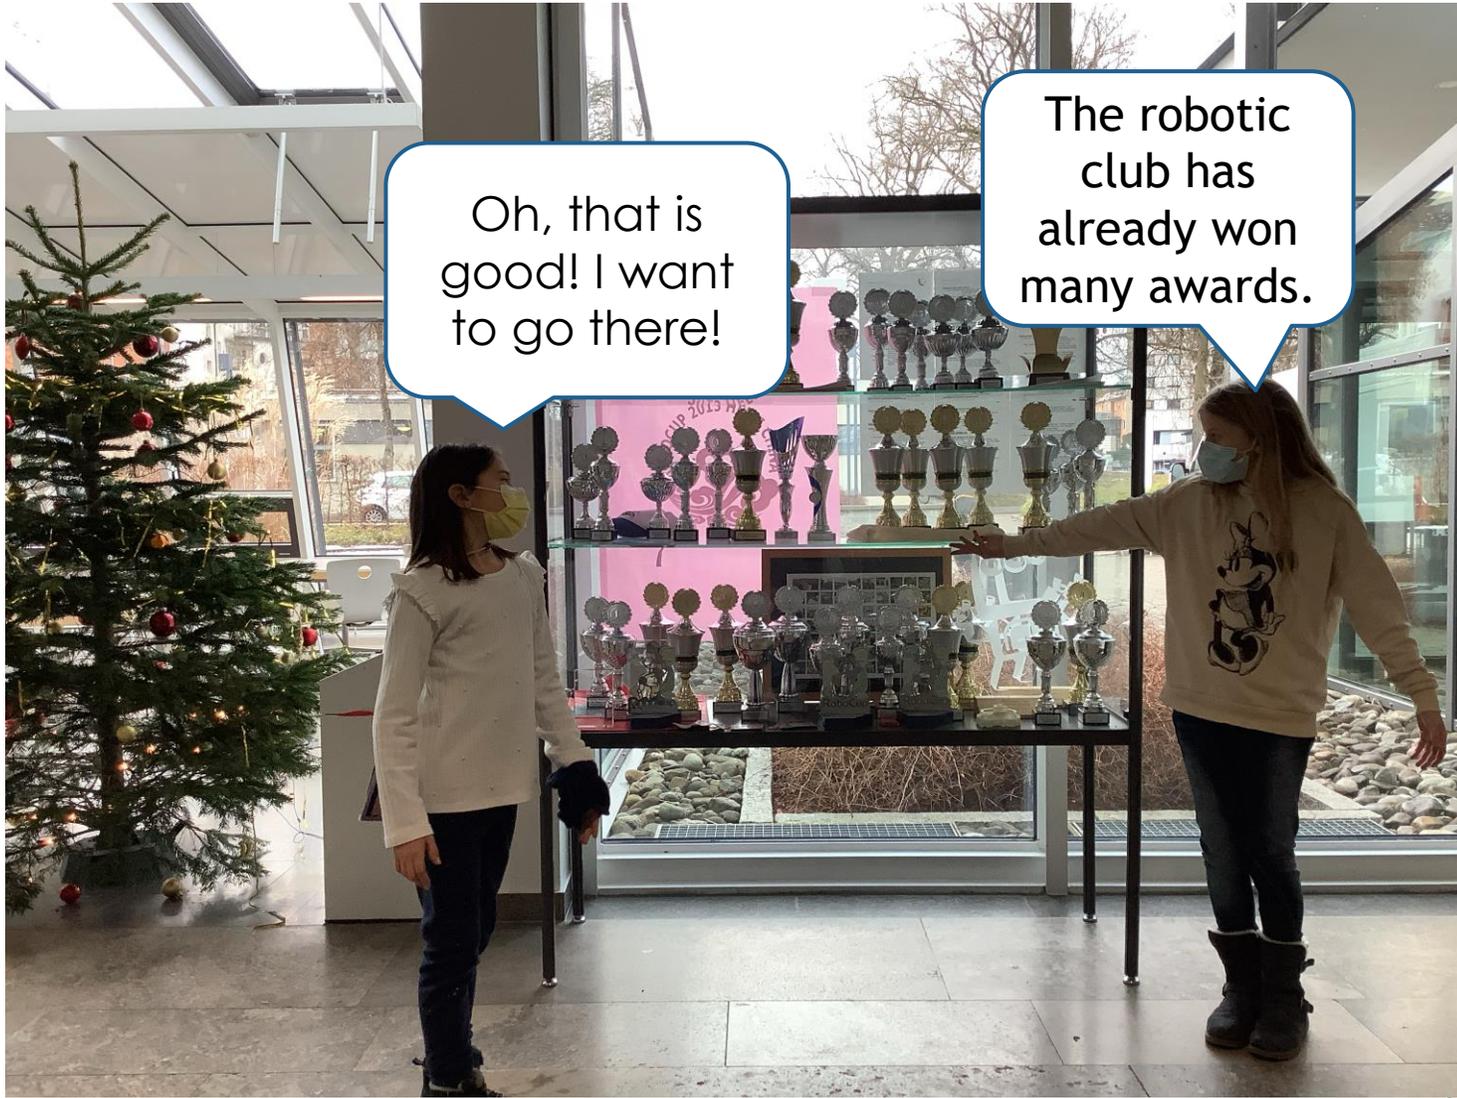

Can you help me, please?

Yes, I can.

Oh!
Thank you!
That's my
picture.

That's an
interesting
picture!

Oh, that is good! I want to go there!

The robotic club has already won many awards.

This is my favourite room: the library!

Oh! I love books!

Geography and Biology are cool!

- ▶ There are many things from our planet, stones or our earth as a globe...
- ▶ There are stuffed animals next to the biology rooms.
